

## Diner's Club

This is a great fund raiser because there are so many good cooks at UU.

This is how it works.

Give me a date and your menu. I will type it all up, take the form to UU, get people signed up and when your dinner is filled, I will send you a copy of your guests and their info. You set the date so there is no concern about checking with everyone. When they come to your house they give you cash or a check made out to UU Society for \$20 each. You provide: appetizers, drinks, entrée, and dessert. Also let me know how many people you can accommodate. Some people want 6 guests, some can take 12 or 14. Just let me know and that's how I'll make your form.

There have been some memorable meals/evenings and I know this will be fun.

Thanks for helping our UU stay solvent and our UU's to stay fat and sassy.

Cheers,

Bonnie
